Direct Vent Gas Fireplaces

Chateau. Warmth in the  
Grandest Style.

# The Chateau Series

A magnificent roaring fire has never been easier to enjoy!

The Chateau Series features an extraordinary line of clean face direct vent fireplaces, all designed to create the traditional look and feel of an authentic wood fire. With our classic andirons, our gorgeous log set and super-realistic fire, you can easily capture the elegance of an open Rumford-style wood fireplace with the convenience of gas, and the quality of Vermont Castings®. And with our BrickWorks Refractory Collection, you can get an authentic look of gorgeous brick in Colonial Red, Limestone and Amaretto Herringbone.

## Featuring **BrickWORKS** COLLECTION

*Styled to look authentic, with a patina that gives every fireplace just the right flair and look. Available in Colonial Red, Limestone and Amaretto Herringbone – the perfect compliment to the most elegant décors.*

### Features & Benefits

- Customize and enhance the look of your fireplace
- Dramatic backdrop to our glowing logs & golden flames
- Easy to install
- Authentic looking brick & mortar design available in 3 choice colors:
- **Colonial Red** - Red Brick with light gray tone mortar – A traditional look and texture of reclaimed & weathered brick
